

The Huxley mantle package is suitable for many settings and decors. This contemporary fireplace utilises Revillusion Flame technology - A clear view through the lifelike flame with a modern concrete look back.

- Revillusion™ Flame technology - Flames are larger, brighter and more random, appearing from within the logs
- Mood lighting - customise the firebox glow with a choice of hues.
- Set up in minutes, no expensive installation or venting required
- Colour enhancement - adjust the flame base to red or blue.
- Realogs Plus - a full grate of life-size hardwood-cast logs, tiered for greater depth.
- Full Concrete look firebox with Log Set
- Brightness flicker & ambient light sensor
- Can be moved from room to room
- Modern light coloured finish will complement all room styles.
- Supplemental Heating for your room
