## DCMFBHSH

### ALDEN - SmartHome Purifying Bladeless Fan

The Dimplex Alden Fan is a stylish and healthier way to keep cool at home or in the office. What sets the Alden apart is its powerful air purification performance incorporating True HEPA Filtration and Germicidal UV-C Defence Technology from its very compact design.

The Alden can be controlled via the touch control panel, remote control, or even better, it is WiFi enabled through TUYA app (compatible with Amazon Alexa and Google Assistant)

- Bladeless air outlet
- 9 speed settings with sleep, fresh and boost mode\*
- WiFi enabled through TUYA app (compatible with Amazon Alexa and Google Assistant)
- Touch sensitive control with digital display and remote control
- Quiet DC motor
- 1-8 hour timer
- 80° horizontal oscillation
- True HEPA-11 Filter and Germicidal UV-C Sterilisation technology

*\*Fan modes can only be accessed via remote control or smartphone app. See instructions for details.*
