DCPFQ40 Whisper Quiet Pedestal Fan

The Whisper Fan is a versatile fan that, due to its powerfully efficient DC motor, is strong enough to cool a large room yet is still quiet enough for a bedroom. It features 12 speed settings and a variety of modes to allow you to customize your comfort to what you need.

- Whisper quiet (27dB)
- DC motor
- 4 modes: normal, natural breeze, sleep and silent
- 12 speed settings
- 12 hour timer
- Multi-function remote control
- Horizontal oscillation
- LED display
- Adjustable height
