

The Winston mantel package is full of excellent features that will make it suitable for all kinds of settings and decors. This contemporary fireplace uses a realistic log set and fire effects to create a very convincing result.

- Electraflame technology with log effect
- Set up in minutes, no expensive installation or venting required
- Flame effect can be used independent of heat source
- Can be moved from room to room
- Safe, cool to touch glass
- Traditional styling will bring style and elegance to any room
