The Bari is a compact stove designed to fit in a standard fireplace or on a hearth. Finished in a traditional black cast effect, with a single opening door and large viewing window. The Optiflame coal effect gives a unique, warming glow that can be enjoyed throughout the year.

- Black 'cast iron' style design
- Flame can be used independent of heat source
- Freestanding and mobile
- Optiflame LED low-energy effect with coal
- Supplemental Heating for your room
